### **Grunder Landscaping Associates Earn Certification!**

Dayton, OH.— Grunder Landscaping Company is pleased to announce that Eric Helm and Mike Vander Linden (Team Leaders) have met the requirements to obtain status as Ohio Certified Nursery Technicians - Master.

The Master Technician status is granted to those individuals who successfully hold all three of the certification specializations of the Ohio Certified Nursery Technician program: Garden Center, Landscape, and Grower.

The purposes of the Ohio Certified Nursery Technician – Master program are to improve the skills and knowledge of the green industry employee; to have this improvement and professional qualifications recognized in the eyes of the public as well as within the landscape and nursery industry; to provide the public, architects, and contractors with dependable landscape construction techniques and horticultural expertise; and to provide a means of self-improvement and increased worth to the employee.

The Grunder Landscaping Company was founded by president, Martin J. Grunder Jr., in 1983 and currently employs 45 people. Grunder has won several business awards including the 2003 Eclipse Integrity Award sponsored by the Better Business Bureau. The company specializes in the design and installation of creative and attractive landscapes, paver patios and walks, outdoor lighting and water gardens.
