FOR IMMEDIATE RELEASE

AREA LANDSCAPE COMPANY WINS STATEWIDE AWARD

Ohio Nursery & Landscape Association Honors Landscape Awards Program Winners

MIAMISBURG, OH –November 10, 2006. Grunder Landscaping Company is proud to announce it has won an award from The Ohio Nursery and Landscape Association (ONLA) in its 34th annual Landscape Awards Program.

Grunder Landscaping was presented with an Award of Distinction in The Water Features Unlimited Category, for the Bradshaw Residence in Washington Township. The project was designed by Kent Sholder; Billy Davis was the Project Team Leader.

The Landscape Awards Program encourages landscape contractors and landscape architects to continue their efforts to raise the industry's image through consistent use of quality materials and competent workmanship," said ONLA President Karl Losely, Herman Losely & Sons, Inc. (Perry, OH). "We are pleased to recognize our 2006 program winners and help celebrate in their successes."

The ONLA's Landscape Awards Program also makes citizens aware of how quality landscaping can improve our environment and property values, recognizes citizens who have taken action through quality landscaping, and rewards skilled professionals who have executed quality workmanship. The program is open to both members and non-members of the ONLA. A jury of distinguished professionals in the fields of landscape architecture, education and horticulture evaluated entries and recommended recipients to the ONLA Landscape Awards Committee.

Grunder Landscaping, one of 22 winning companies in Ohio, was presented with its award during a reception hosted by the ONLA on Sunday, October 22, 2006 at the Columbus Museum of Art.

About the ONLA

The Ohio Nursery and Landscape Association is a non-profit association representing the interests of the state's nursery, garden center, and landscape industry. Membership is comprised of nursery stock growers, landscape contractors and maintenance firms, garden centers, arborists and allied suppliers. For more information visit www.onla.org, or call (800) 825-5062. The organization also sponsors a consumer website at www.buckeyegardening.com.
