Grunder Landscaping Associate Earns Certification!

Dayton, OH.—The Grunder Landscaping Company announces that Paul Stoll (Director of Customer Service) has met the requirements to obtain status as Ohio Certified Nursery Technicians - Garden Center.

The purposes of the Ohio Certified Nursery Technician – Garden Center program are to better prepare the retail garden center employee in dealing with customers’ needs in horticultural matters; to identify the employee as a professional who knows the industry and can assist customers in a knowledgeable manner; and to upgrade the standards of the nursery industry. Grunder Landscaping strongly supports the continuing education of its’ employees.

Grunder Landscaping Company was founded by Martin J. Grunder Jr., in 1983. The company specializes in the design and installation of creative and attractive landscapes, paver patios and walks, outdoor lighting and water gardens.
